

**DEPARTMENT OF THE NAVY**  
CHIEF INFORMATION OFFICER  
1000 NAVY PENTAGON  
WASHINGTON DC 20350-1000

17 December 2009

**MEMORANDUM FOR DISTRIBUTION**

**Subj: DEPARTMENT OF THE NAVY ENTERPRISE ARCHITECTURE (DON EA) COMPLIANCE  
WAIVER REQUEST AND APPROVAL PROCESS UPDATE**

**Ref: (a) DON CIO memo, DON EA Compliance Waiver Request and Approval Process,  
of 21 Sep 09**

The purpose of this memorandum is to provide an update to the Department of the Navy Enterprise Architecture (DON EA) Compliance Waiver Request and Approval Process, which was originally released on 21 September 2009 by reference (a).

The process released via reference (a), was largely manual in nature and therefore had the potential for inefficient processing of critical waiver requests. In order to address this potential issue, the DON EA compliance waiver process has now been implemented and automated in the DON variant of the Department of Defense Information Technology Portfolio Repository (DITPR-DON). Effective 21 December 2009, all DON EA compliance requests must be submitted and reviewed via DITPR-DON. An update to the DON EA Compliance Waiver Request and Approval Process document, which address this issue, will be made available in the Ref Doc section of DITPR-DON.

Up-to-date information about the DON EA, including the process document referenced in this memo, can be found at: <http://www.intelink.gov/go/DONEA>. My point of contact for the DON EA is Mr. Michael Jacobs, 703 602-6847, [michael.b.jacobs@navy.mil](mailto:michael.b.jacobs@navy.mil).
