

**Department of the Navy Chief Information Officer  
DON IT Conference, East Coast 2012  
May 14-16, 2012**

## SESSION TIMES

CLC = Continuous Learning Credit available

CEU = Continuing Education Unit available (good for sustainment of CompTIA certifications)

### Monday, May 14, 2012

Registration: 9:00 a.m. to 3:00 p.m.

ROOM #	MORNING	AFTERNOON
3B		<b>12:00 – 4:30</b> Knowledge Management Track (CLC)

### Tuesday, May 15, 2012

Registration: 7:00 a.m. to 3:00 p.m.

ROOM #	MORNING		AFTERNOON	
2B	<b>8:00 - 9:00</b> Privacy Impact Assessment Training (CLC)	<b>9:15 - 10:45</b> Cloud Computing and its Impact on Software Licensing (CLC)	<b>2:00 - 3:00</b> Safeguarding Personally Identifiable Information (CLC)	<b>3:15 - 5:15</b> Navy Echelon II & Marine Corps Major Subordinate Command IO Session (Open to Command IOs only)
2C	<b>8:00 - 9:00</b> The DON IT Controls Audit Readiness Initiative (CLC)	<b>9:45 - 11:45</b> Unified Capabilities and Voice Over IP/ Video Teleconferencing Update (CLC)	<b>2:00 - 3:00</b> Enterprise Mobility in the DON 2012 and Beyond (CEU)	<b>3:15 - 4:15</b> IPv6 as a Module (CEU)
3B	<b>8:00 - 9:30</b> DoD Cyber Information Assurance Range (CLC)	<b>9:45- 11:45</b> Cybersecurity/Information Assurance Workforce Program (CLC)	<b>2:00 - 3:00</b> Marine Corps IT Community Forum	<b>3:15 - 4:45</b> National Initiative for Cybersecurity Education (CLC)
3D	<b>8:00 - 9:30</b> PBIS-IT Line Item Definition Changes (Open to government employees with CAC cards)	<b>9:45 - 11:15</b> DADMS/DITPR-DON Policy & Process Training (CLC)	<b>1:00 - 5:00</b> DADMS Functionality Training (CLC)	

**Department of the Navy Chief Information Officer  
DON IT Conference, East Coast 2012  
May 14-16, 2012**

**Wednesday, May 16, 2012**

Registration: 7:00 a.m. to 3:00 p.m.

ROOM #	MORNING		AFTERNOON	
2B	<b>8:00 - 9:30</b> DON Data Center Consolidation (CLC)	<b>9:45 - 11:15</b> Software Licensing Training: Acquiring Licenses in These Changing Times (CLC)	<b>2:00 - 5:00</b> Navy Information Dominance Approval System (NAV-IDAS) User Training (CLC)	
2C	<b>8:00 - 11:00</b> DITPR-DON Functionality Training (CLC)		<b>2:00 - 3:00</b> Telecommunications and Naval Circuit Management (CLC)	
3B	<b>8:00 - 9:30</b> Cyber/IT Workforce Continuous Learning (CLC)	<b>9:45 - 11:45</b> Cyber/IT Workforce: Current & Future Initiatives (CLC)	<b>2:00 - 3:00</b> IA: A Climate of Accountability (Open to IA Managers; invitation only)	<b>3:15 - 4:45</b> Business IT Transformation Town Hall with Mr. Halvorsen, DON CIO
3D	<b>8:00 - 9:00</b> Risk Management in the DON (CEU)	<b>9:45 - 10:45</b> Identity and Access Management in the DON (CEU)	<b>2:00 - 3:00</b> Naval Enterprise Networks (Open to government employees with CAC cards)	

**Department of the Navy Chief Information Officer  
DON IT Conference, East Coast 2012  
May 14-16, 2012**

## **SESSION DESCRIPTIONS**

### **ACQUISITION**

---

#### **Navy Information Dominance Approval System User Training**

Date: Wed., May 16      Time: 2:00 - 5:00      Room: 2B

The Navy Information Dominance Approval System (NAV-IDAS) is the Navy enterprise framework for establishing information dominance IT approval workflows. This enterprise approach provides a consistent, repeatable, automated capability for IT procurement transparency, cost containment, and IT footprint reductions across the Navy. This training session will introduce and reinforce the system workflow process to the Echelon II and below user community.

Defense Connect Online URL: <https://connect.dco.dod.mil/may2012>

Teleconference #: 866-266-3378, conference ID: 301-866-5663#, passcode: 1472#

Speaker: Jennifer Shizak (OPNAV N2/N6 Support)

### **CYBERSECURITY**

---

#### **Risk Management in the DON**

Date: Wed., May 16      Time: 8:00 – 9:00      Room: 3D

This session will provide a panel discussion on the DoD, DON, USMC, and Navy's certification and accreditation transformation to the federal risk management framework. The discussion will highlight changes and the expected expansion of risk management processes to "all IT."

Speaker: Roddy Staten (DON CIO), Charlie Kiriakou (USN ODAA), Ray Letteer (HQMC C4)

#### **Identity and Access Management in the DON**

Date: Wed., May 16      Time: 9:45 – 10:45      Room: 3D

Representatives from the DON CIO, OPNAV N2/N6 and HQMC C4 will provide information about current and future DON identity and access management support activities, to include NIPRNet and SIPRNet Public Key Infrastructure/Public Key Enablement implementation and Secure Hash Algorithm (SHA)-1 to SHA-256 migration activity updates. A panel format will be used to facilitate a question and answer period.

Speakers: Roddy Staten (DON CIO), CDR Juliana Rosati (OPNAV N2/N6F15), Ray Letteer (HQMC C4)

### **CYBER/IT WORKFORCE**

---

#### **DoD Cyber Information Assurance Range**

Date: Tues., May 15      Time: 8:00 - 9:30      Room: 3B

This session will provide an operational overview of the existing unclassified and classified secret DoD Cyber Information Assurance Range environments, the active Marine Corps Cyber Range efforts and the proposed US Navy Cyber Operations Range supporting efforts.

Speakers: Jeffrey A. Combs (HQMC C4), LCDR Steven Calhoun (10<sup>th</sup> Fleet), Jeff Hansen (HQMC C4 Support), James Powell (NETWARCOM Support)

#### **Cybersecurity/Information Assurance Workforce Program**

Date: Tues., May 15      Time: 9:45 -11:45      Room: 3B

The DON, Navy, and Marine Corps Cybersecurity/Information Assurance Workforce Improvement Program Offices of Primary Responsibility (IA WIP OPRs) will address the status of Service Cybersecurity Workforce Improvement Programs and planned workforce management actions for 2012. Additionally, leadership will discuss proposed changes to DoD 8570.01 and its relationship to the new DoDD 8140. The new DoDD 8140 will address the entire

# Department of the Navy Chief Information Officer DON IT Conference, East Coast 2012 May 14-16, 2012

scope of the cyber workforce. All Cybersecurity/IAWF managers/stakeholders are invited to participate in this session as the DON works collaboratively to bring cybersecurity certification and training requirements into compliance.

Speakers: Chris Kelsall (DON CIO), Ray Letteer (HQMC C4), LCDR Kenneth Romo (NAVCYBERFOR), Steven Busch (DoD CIO Support), Capt Katherine Hall (HQMC C4), Theresa Everette (OPNAV N2/N6)

## Marine Corps IT Community Forum

Date: Tues., May 15      Time: 2:00 - 3:00      Room: 3B

This session will be an interactive discussion on the state of the Marine Corps IT Management Community of Interest and issues particularly relevant to today's civilian IT workforce.

Speaker: Pete Gillis (HQMC C4)

Defense Connect Online URL: <https://connect.dco.dod.mil/itmcoieast2012>

Teleconference #: 378.2527 (DSN) / 703.432.2527 (comm), passcode: 1704#

## National Initiative for Cybersecurity Education

Date: Tues., May 15      Time: 3:15 - 4:45      Room: 3B

This session will be a discussion of current and future National Initiative for Cybersecurity Education (NICE) efforts and their impact on cybersecurity workforce implementation plans within the DON. Included will be a discussion of overall goals and objectives of the NICE initiative as well as specific discussions of the cybersecurity workforce training and professional development component and specific activities within the Digital Literacy Functional Area efforts. Information on non-federal government, academic institution and industry participation in future digital literacy efforts will also be presented.

Speakers: Dr. Ernest McDuffie (NIST), Chris Kelsall (DON CIO), Roy Burgess (DHS)

## Cyber/IT Workforce Continuous Learning Program

Date: Wed., May 16      Time: 8:00 - 9:30      Room: 3B

Learn about the new DON Cyber/IT Workforce continuous learning requirements and how to easily integrate the program into your worklife. In addition to requirements for the cyber/IT workforce, this session will address the commercial certification vendor sustainment program per DoD 8570.01 M and how the two programs can blend seamlessly.

Speakers: Chris Kelsall (DON CIO), Rene Agosto (HQMC C4), Mary Purdy (DON CIO Support), Theresa Everette (OPNAV N2/N6)

## Cyber/IT Workforce: Current & Future Initiatives

Date: Wed., May 16      Time: 9:45 - 11:45      Room: 3B

This session will be a discussion of current and future DON Cyber/IT workforce initiatives, concepts, programs, plans and policies that are a part of the DON's transition into future cyber missions. This session will also include a discussion of federal and DoD workforce initiatives. Time will be provided for participants to ask questions and express their views on IT workforce challenges, needs, and key activities.

Speakers: Chris Kelsall (DON CIO), Pete Gillis (HQMC C4), CDR Joe Brennan (OPNAV N1), CDR Stacy Bowman (OPNAV N1)

## Information Assurance: A Climate of Accountability

Open to IA Managers; Invitation Only

Date: Wed., May 16      Time: 2:00 - 3:00      Room: 3B

This session will be a presentation on the responsibilities of information assurance managers and why a climate of accountability is important.

**Department of the Navy Chief Information Officer  
DON IT Conference, East Coast 2012  
May 14-16, 2012**

Speaker: Alan Rickman (FLTCYBERCOM/C10F)

## **DADMS/DITPR-DON**

---

### **DADMS/DITPR-DON Policy and Process Training**

Date: Tues., May 15      Time: 9:45 – 11:15      Room: 3D

This session will provide training on the policies and processes associated with DADMS and DITPR-DON.

Speaker: Molly Johnson (DON CIO)

Defense Connect Online URL: <https://connect.dco.dod.mil/dadmsditprdon>

Teleconference #: 877-468-2139, passcode: 836217

### **DADMS Functionality Training**

Date: Tues., May 15      Time: 1:00 - 5:00      Room: 3D

This session will provide basic training on the functions and capabilities provided in DADMS for application registration and portfolio management.

Speaker: Molly Johnson (DON CIO)

Defense Connect Online URL: <https://connect.dco.dod.mil/dadmsditprdon>

Teleconference #: 877-468-2139, passcode: 836217

### **DITPR-DON Functionality Training**

Date: Wed., May 16      Time: 8:00 - 11:00      Room: 2C

This session will provide basic training on the functions and capabilities provided in DITPR-DON for system registration and maintenance.

Speaker: Molly Johnson (DON CIO), Fumie Wingo (DON CIO)

Defense Connect Online URL: <https://connect.dco.dod.mil/dadmsditprdon>

Teleconference #: 877-468-2139, passcode: 836217

## **ENTERPRISE SOFTWARE INITIATIVE**

---

### **Cloud Computing and its Impact on Software Licensing**

Date: Tues., May 15      Time: 9:15 - 10:45      Room: 2B

As the use of cloud computing increases, software licensing terms, conditions and pricing practices are impacted. This training session for the DoD IT buyer will address the key contractual concepts to address when negotiating a cloud delivery model versus traditional on-premise software delivery, including pricing models, grant parameters, ownership rights, security and disaster recovery, and service level agreement considerations.

Speakers: Floyd Groce (DON CIO), Tom Crawford (DON CIO Support), Chris Panaro (DON CIO Support), Gretchen Kwashnik (DON CIO Support)

Defense Connect Online URL: <https://connect.dco.dod.mil/cloudcomputing15may2012>

Teleconference #: 866-725-7952, passcode: 3309292#

### **Software Licensing Training: Acquiring Licenses in These Changing Times**

Date: Wed., May 16      Time: 9:45 - 11:15      Room: 2B

Buying software for your unit or enterprise requires a lot more thought and effort than simply plunking down your government purchase card for the latest version of shrink-wrapped software on the shelf. This training session will be taught by experienced software licensing experts who will provide the DoD IT buyer a "checklist" of things to consider when acquiring software licenses and address the changing environment of software acquisition.

# Department of the Navy Chief Information Officer DON IT Conference, East Coast 2012 May 14-16, 2012

Speakers: Floyd Groce (DON CIO), Linda Greenwade (DON CIO Support), Suzi Ellison (DON IT Umbrella Program/SPAWAR SSC-Pacific), Bob Smith (DoD CIO)

Defense Connect Online URL: <https://connect.dco.dod.mil/deepdiveswlicensing16may2012>

Teleconference #: 866-725-7952, passcode: 3309292#

## IT EFFICIENCIES

---

### The DON IT Controls Audit Readiness Initiative

Date: Tues., May 15      Time: 8:00 - 9:00      Room: 2C

The DON, in conjunction with the DoD, is in the process of achieving improved financial information and auditability with the Financial Improvement and Audit Readiness (FIAR) Plan. The Financial Management Office (FMO), in conjunction with the DON CIO, has developed a two-phased approach for accomplishing the goal of audit readiness; this session will discuss the status of the FIAR plan as well as define the two phases that will be used to accomplish audit readiness.

Speakers: Patricia Dickerson (Financial Management Office), Geoffrey L. Weber (KPMG LLP)

### Program Budget Information System - IT Line Item Definition Changes

Open to Government Employees with CAC Cards

Date: Tues., May 15      Time: 8:00 - 9:30      Room: 3D

This session will present the changes that have been made in the Program Budget Information System - IT Line Item Definitions with the rationale for changes included. It will also allow for questions and open discussion on the budget line item definitions.

Speakers: BJ Dauro (OASN (FM&C)), Sue Shurn (DON CIO)

### Navy Echelon II and Marine Corps Major Subordinate Command IO Session

Open to Command IOs Only

Date: Tues., May 15      Time: 3:15 - 5:15      Room: 2B

Mr. Terry Halvorsen (DON CIO), Ms. Janice Haith (Navy N2/N6) and BGen Kevin Nally (Marine Corps C4) will conduct a panel discussion with Navy and Marine Corps Command Information Officers (IO). As indicated, this session is open to command IOs or their representatives only.

Speakers: Mr. Terry Halvorsen (DON CIO), Ms. Janice Haith (Navy N2/N6), BGen Kevin Nally (Marine Corps C4)

### Data Center Consolidation

Date: Wed., May 16      Time: 8:00 - 9:30      Room: 2B

This session will provide an update on the status of the data center consolidation efforts currently being pursued within the DON.

Speakers: Matt Locke (DON CIO), Robert Harden (DDCIO Navy), Bob Brown (PEO-EIS, on behalf of DoD CIO), Neal Andrew (HQMC C4)

Defense Connect Online URL: <https://connect.dco.dod.mil/dondcc>

Teleconference #: 888-469-0643, passcode: 41283

### Business IT Transformation Town Hall with Mr. Terry Halvorsen, DON CIO

Date: Wed., May 16      Time: 3:15 - 4:45      Room: 3B

All are encouraged to participate in this town hall with Mr. Terry Halvorsen, DON Chief Information Officer, as he addresses plans for business IT transformation and responds to community questions and concerns.

**Department of the Navy Chief Information Officer  
DON IT Conference, East Coast 2012  
May 14-16, 2012**

Speaker: Mr. Terry Halvorsen, DON CIO

Teleconference #: 888-808-8526, passcode: 397870

## **KNOWLEDGE MANAGEMENT**

---

### **Knowledge Management Track**

Date: Mon., May 14      Time: 12:00 – 4:30      Room: 3B

This session will provide evidence that commands continue to use Knowledge Management (KM) to help accomplish their missions. The presentations will share practical KM experiences and information about some available tools. Presenters will describe KM implementations with Joint Task Force Headquarters, Marine Corps Combat Development, and the Pacific Fleet Commander. Specific lessons learned from a variety of commands will be presented. There will also be updates of the web-based platforms MilSuite, All Partners Access Network (APAN) and Navy Knowledge Online (NKO).

Speakers: Jim Knox (DON CIO), Joseph Abell (USMC Combat Development Center), Bill Johnson (Navy Knowledge Online), Jamie Muskopf (COMPACFLT), Joel Houk (Joint Enabling Capabilities Command), Jenney Tagorda (USPACOM), Brett Miller (US Army PEO C3T), Michael Cushing (Joint Enabling Capabilities Command)

## **NAVAL NETWORKS**

---

### **Unified Capabilities and Voice Over IP/Video Teleconferencing Update**

Date: Tues., May 15      Time: 9:45 - 11:45      Room: 2C

This session is designed to provide a high-level overview of the DoD Unified Capability (UC) master plan as well as the status of UC efforts within the DON. Discussions will focus on the enterprise management framework for UC within the DON and Classified Voice Video Over Internet Protocol (CVVoIP) on afloat platforms. This session will also focus on Video Teleconferencing (VTC) and provide an update on the strategic vision of DoD and DON VTC, share information about upcoming efforts and discuss the latest industry trends and technologies.

Speakers: Don Jean (DON CIO), Jon Marcy (PMW-790), Mike Robinson (PMW-790)

### **IPv6 as a Module**

Date: Tues., May 15      Time: 3:15 - 4:15      Room: 2C

This session is designed to provide an update on the DON's implementation of Internet Protocol version 6 (IPv6), as well as examples of how the DON is preparing for the deployment of IPv6.

Speakers: Don Jean (DON CIO), Matthew Shadeed (SPAWAR), Mike Robinson (PMW-790)

### **Naval Enterprise Networks**

Open to Government Employees with CAC Cards

Date: Wed., May 16      Time: 2:00 – 3:00      Room: 3D

Naval Enterprise Networks Program Manager Captain Shawn Hendricks and members of his leadership team will take operational questions from Echelon II command information officers and lead command technical representatives (reservation and CAC required for admission). The latest developments regarding the Navy Marine Corps Intranet Continuity of Services Contract and transition to the Next Generation Enterprise Network will drive the discussion. For reservations, contact [NMCI\\_PublicAffairs@navy.mil](mailto:NMCI_PublicAffairs@navy.mil).

Speaker: CAPT Shawn Hendricks (PMW 205)

**Department of the Navy Chief Information Officer  
DON IT Conference, East Coast 2012  
May 14-16, 2012**

**PRIVACY**

---

**Privacy Impact Assessment Training**

Date: Tues., May 15      Time: 8:00 – 9:00      Room: 2B

This session is designed to review requirements as directed by E-Gov, DoD and DON including: the collection of Personally Identifiable Information (PII) for IT systems that do not collect PII; the collection for IT systems of PII for internal government operations; and the collection of more sensitive PII elements. Specific training for those responsible for creating Privacy Impact Assessments (PIA) will be provided, including how to answer specific questions in the PIA template, key points to remember, lessons learned and problem areas. DON metrics will also be reviewed and discussed. Audience participation is highly encouraged.

Speakers: Steve Muck (DON CIO)

**Safeguarding Personally Identifiable Information**

Date: Tues., May 15      Time: 2:00 - 3:00      Room: 2B

This session's training will cover the DON's privacy breach reporting process from the Initial Report through breach closeout and submission of the After Action Report. This session will also include a look at trends and patterns of identity theft and fraud within the Department. Various methods for safeguarding PII in the office and at home will be addressed. Audience participation is highly encouraged.

Speaker: Steve Muck (DON CIO)

**TELECOMMUNICATIONS & WIRELESS**

---

**Enterprise Mobility in the DON 2012 and Beyond**

Date: Tues., May 15      Time: 2:00 - 3:00      Room: 2C

Expanding the use of commercial wireless devices and applications is in high demand from the user base. This session will review DoD and DON efforts to accelerate the adoption of these devices while mitigating the information assurance concerns that they could bring to the network. Topics will include DON mobility governance, proofs-of-concept underway, and leveraging the IA Cyber Range at Quantico for mobility.

Speakers: Mike Hernon (DON CIO), Bill Edwards (CNIC HQ N6), Anthony Soules (HQMC C4)

**Telecommunications and Naval Circuit Management**

Date: Wed., May 16      Time: 2:00 - 3:00      Room: 2C

This session will provide information on the Naval Circuit Management Office (NCMO) strategy alignment as well as details on Unified Capabilities. A question and answer period will follow.

Speakers: Mark Lutes (Naval Circuit Management Office)
