MEMORANDUM FOR CHIEF INFORMATION OFFICERS OF THE MILITARY  
DEPARTMENTS  
CHIEF INFORMATION OFFICERS OF THE DEFENSE  
AGENCIES  
CHIEF INFORMATION OFFICERS OF THE DOD FIELD  
ACTIVITIES

SUBJECT: Clinger-Cohen Act (CCA) Compliance Certification of Major Automated  
Information Systems (MAIS) for Fiscal Year (FY) 2007

Section 8066(c) of the Defense Appropriations Act 2007 (Public Law 109-289) (Attachment 1) re-enacted a provision contained in the FY 2006 Act (Section 8075(c)). It continues to require the DoD Chief Information Officer (CIO) to certify, at each acquisition milestone, that Major Automated Information Systems (MAIS) are being developed in accordance with Subtitle III of Title 40 of the United States Code (formerly the Clinger-Cohen Act (CCA) of 1996). It also requires timely notification to congressional defense committees of such certifications.

For FY 2007 certifications, the DoD Component CIO shall only submit a certification memorandum stating that the system is being developed in accordance with Subtitle III of Title 40 U.S.C. and the CCA compliance table as required by Enclosure 4, Table E.4.T1 of Department of Defense Instruction 5000.2. While the DoD Component CIOs will no longer be required to submit the CCA Certification Report summary, it is imperative that all appropriate documentation is maintained to support each CCA certification.

My Action Officer for this memorandum is [REDACTED] (703) 601-4729  
ext 149 or [REDACTED]

David M. Wennergren  
Deputy Chief Information Officer
