## COVER

The vivid colors of the electromagnetic spectrum. In this issue, members of the Department of the Navy electromagnetic spectrum community provide a look at the many applications of spectrum and the ways that the DON ensures that naval forces have global access for spectrum-dependent communications and combat systems. Articles begin on page 6.

The Department of the Navy Chief Information Officer's Spectrum Team: Tom Kidd (middle) is the director of Strategic Spectrum Policy for the DON. Mark Rossow (left) is senior adviser to the director on Department of Defense, federal and national regulatory spectrum issues. Steve Ward (right) is senior adviser to the director on bilateral and international treaty interests.
