SECTION 1: IS A PIA REQUIRED?

a. Will this Department of Defense (DoD) information system or electronic collection of information (referred to as an "electronic collection" for the purpose of this form) collect, maintain, use, and/or disseminate PII about members of the public, Federal personnel, contractors or foreign nationals employed at U.S. military facilities internationally? Choose one option from the choices below. (Choose (3) for foreign nationals).

☐ (1) Yes, from members of the general public.
☒ (2) Yes, from Federal personnel* and/or Federal contractors.
☐ (3) Yes, from both members of the general public and Federal personnel and/or Federal contractors.
☐ (4) No

* "Federal personnel" are referred to in the DoD IT Portfolio Repository (DITPR) as "Federal employees."

b. If "No," ensure that DITPR or the authoritative database that updates DITPR is annotated for the reason(s) why a PIA is not required. If the DoD Information system or electronic collection is not in DITPR, ensure that the reason(s) are recorded in appropriate documentation.

c. If "Yes," then a PIA is required. Proceed to Section 2.
SECTION 2: PIA SUMMARY INFORMATION

a. Why is this PIA being created or updated? Choose one:

☐ New DoD Information System ☐ New Electronic Collection
☒ Existing DoD Information System ☐ Existing Electronic Collection
☐ Significantly Modified DoD Information System

b. Is this DoD information system registered in the DITPR or the DoD Secret Internet Protocol Router Network (SIPRNET) IT Registry?

☒ Yes, DITPR Enter DITPR System Identification Number DITPR ID: 13611 DITPR DON ID: 22286
☐ Yes, SIPRNET Enter SIPRNET Identification Number
☐ No

c. Does this DoD information system have an IT investment Unique Project Identifier (UPI), required by section 53 of Office of Management and Budget (OMB) Circular A-11?

☒ Yes ☐ No

If "Yes," enter UPI UPI: 007-000001463

If unsure, consult the Component IT Budget Point of Contact to obtain the UPI.

d. Does this DoD information system or electronic collection require a Privacy Act System of Records Notice (SORN)?

A Privacy Act SORN is required if the information system or electronic collection contains information about U.S. citizens or lawful permanent U.S. residents that is retrieved by name or other unique identifier. PIA and Privacy Act SORN information should be consistent.

☒ Yes ☐ No

If "Yes," enter Privacy Act SORN Identifier NM01500-9

DoD Component-assigned designator, not the Federal Register number. Consult the Component Privacy Office for additional information or access DoD Privacy Act SORNs at: http://www.defenselink.mil/privacy/notices/

or

Date of submission for approval to Defense Privacy Office Consult the Component Privacy Office for this date.
e. Does this DoD information system or electronic collection have an OMB Control Number?
Contact the Component Information Management Control Officer or DoD Clearance Officer for this information.

   This number indicates OMB approval to collect data from 10 or more members of the public in a 12-month period regardless of form or format.

☐ Yes

Enter OMB Control Number

☐ No

f. Authority to collect information. A Federal law, Executive Order of the President (EO), or DoD requirement must authorize the collection and maintenance of a system of records.

(1) If this system has a Privacy Act SORN, the authorities in this PIA and the existing Privacy Act SORN should be the same.

(2) Cite the authority for this DoD information system or electronic collection to collect, use, maintain and/or disseminate PII. (If multiple authorities are cited, provide all that apply.)

   (a) Whenever possible, cite the specific provisions of the statute and/or EO that authorizes the operation of the system and the collection of PII.

   (b) If a specific statute or EO does not exist, determine if an indirect statutory authority can be cited. An indirect authority may be cited if the authority requires the operation or administration of a program, the execution of which will require the collection and maintenance of a system of records.

   (c) DoD Components can use their general statutory grants of authority ("internal housekeeping") as the primary authority. The requirement, directive, or instruction implementing the statute within the DoD Component should be identified.

SORN NM01500-9 authorities:

5 U.S.C. 301, Departmental Regulations
10 U.S.C. 5013, Secretary of the Navy
10 U.S.C. 5042, Headquarters, Marine Corps
14 U.S.C. 93, Commandant, U.S. Coast Guard General Powers
E.O. 9397 (SSN), as amended.
g. Summary of DoD information system or electronic collection. Answers to these questions should be consistent with security guidelines for release of information to the public.

(1) Describe the purpose of this DoD information system or electronic collection and briefly describe the types of personal information about individuals collected in the system.

The Learning Assessment System (LAS) is a server-based survey system that supports Naval Education and Training Command (NETC). LAS provides the ability to perform surveys of training effectiveness that collect feedback from students and activities to measure the performance, determine the value, and plan for the lifecycle support and improvement of NETC-delivered training. The LAS is implemented as a server-based web-enabled application (Perception Enterprise Manager) supported by an associated Oracle database. Access to Enterprise Manager is via a web-based interface. An additional client-side component, Perception Authoring Manager, can be used on individual workstations for local development and management of items and surveys. The LAS has been designated as Mission Assurance Category (MAC) Level III and is authorized to process information at a confidentiality level of Sensitive up to Unclassified FOUO in the System High mode.

Personal information collection includes: Name, Other ID number, Employment Information, Military Records, Education Information.

(2) Briefly describe the privacy risks associated with the PII collected and how these risks are addressed to safeguard privacy.

Information could be compromised by improper handling, resulting in identity theft.

System operators participate in a comprehensive command security program. Operators also receive training on using appropriate data handling safeguards.

h. With whom will the PII be shared through data exchange, both within your DoD Component and outside your Component (e.g., other DoD Components, Federal Agencies)? Indicate all that apply.

☒ Within the DoD Component.

Specify. 11 Navy Learning Centers and their multiple satellite sites, Navy schoolhouses, NETC administrators

☐ Other DoD Components.

Specify.

☐ Other Federal Agencies.

Specify.

☐ State and Local Agencies.

Specify.

☐ Contractor (Enter name and describe the language in the contract that safeguards PII.)

Specify.
☐ Other (e.g., commercial providers, colleges).

Specify.

i. Do individuals have the opportunity to object to the collection of their PII?

☒ Yes ☐ No

(1) If "Yes," describe method by which individuals can object to the collection of PII.

Survey data submission is voluntary.

(2) If "No," state the reason why individuals cannot object.

j. Do individuals have the opportunity to consent to the specific uses of their PII?

☐ Yes ☒ No

(1) If "Yes," describe the method by which individuals can give or withhold their consent.

Once the individual voluntarily completes the survey they do not have the opportunity to consent to the specific uses of their PII. The survey introduction has a privacy act statement indicating participation is voluntary and noting how the information will be used.

(2) If "No," state the reason why individuals cannot give or withhold their consent.
k. What information is provided to an individual when asked to provide PII data? Indicate all that apply.

☐ Privacy Act Statement
☐ Privacy Advisory
☐ Other
☐ None

Describe each applicable format.

There is a privacy act statement on the second page of the LAS authentication service when an applicant applies for an account. There is an update under way which will move the privacy act statement to a more visible place in the application access process. When delivering a voluntary survey/critique, the privacy act statement is usually contained in the survey introduction. At that point, the respondent has an opportunity to refuse to submit the data.

NOTE:

Sections 1 and 2 above are to be posted to the Component’s Web site. Posting of these Sections indicates that the PIA has been reviewed to ensure that appropriate safeguards are in place to protect privacy.

A Component may restrict the publication of Sections 1 and/or 2 if they contain information that would reveal sensitive information or raise security concerns.
