MEMORANDUM FOR DISTRIBUTION

Subj: DEPARTMENT OF THE NAVY HOME-USE POLICY FOR MICROSOFT

The Department of the Navy (DON), through its contract with EDS for the Navy Marine Corps Intranet (NMCI), is entitled to Microsoft’s Home Use Program (HUP) as a volume license owner with Microsoft. The HUP allows government civilian and uniformed personnel presently on NMCI, to obtain a licensed copy of Microsoft Office, Project, or Visio desktop applications to install and use on a home computer if these products are also installed on their NMCI computer. Contractors are ineligible to participate.

The HUP shall continue for the term of the HUP agreement and DON personnel may use this offering provided they are employed by the DON and abide by the Home Use Rights End User License Agreement (EULA). The DON is not responsible for individual employee compliance with respect to the EULA. The DON will undertake reasonable efforts to ensure that employees are notified of the Microsoft provisions concerning the HUP. The HUP program code is accessible by logging on to the NMCI Homeport. Access to the Microsoft HUP web site will be limited to authorized NMCI e-mail addresses.

All DON personnel are reminded that Personally Identifiable Information (PII) and Controlled Unclassified Information (CUI) are not to be stored nor otherwise used on personally owned laptops, desktops, personal electronic devices, and other media storage.

DON employees purchasing this offering are responsible for paying the administrative costs for obtaining the software, including media and shipping, and may use the software as desired, provided, as stated in the above paragraph, PII and CUI is not used on personal electronic media. Employees may obtain only one version of the software at any given time and must comply with all licensing requirements. Eligible software and ordering directions may be found at http://www.microsoft.com/licensing/sa/benefits/home_use_rights.mspx. The eligible licenses the DON has through the NMCI contract are a subset of the ones listed on the Microsoft site.

The DON point of contact in this matter is Mr. Floyd V. Groce (floyd.groce@navy.mil, 703-607-5658).
